I would like to apply for admission at Great Basin College as a Western Undergraduate Exchange (WUE) Student.

I am from the following state and claim residency in that state for the past 12 months (check one):

___ Alaska ___ Arizona ___ California ___ Colorado
___ Commonwealth of the Northern Mariana Islands, including Guam ___ Hawaii
___ Idaho ___ Montana ___ New Mexico ___ North Dakota
___ Oregon ___ South Dakota ___ Utah
___ Washington ___ Wyoming

___ I am attaching to this form proof of my residency in the state checked above. (e.g., copy of driver's license, income tax form, voter registration, etc.)

As a WUE student, I will pay 150% of Great Basin College's regular in-state resident course fees, plus any fees (such as lab and technology fees) that all students are required to pay. However, out-of-state tuition will be waived.

I understand that I am only eligible for WUE status if I submit this application before the beginning of my first semester at GBC. I also understand that once I have been classified as a WUE student, in order to be reclassified as a Nevada resident student, I will need to disenroll in the WUE Program and pay full nonresident tuition for at least 12 months, and then petition for in-state tuition, providing clear and convincing evidence of Nevada residency. The procedure for reclassification to Nevada residency is available in the Admissions and Records Office at Great Basin College, or at the Centers in Battle Mountain, Ely, Pahrump and Winnemucca.
