

Dual Enrollment Master List

ELKO COUNTY SCHOOL DISTRICT

Dual enrollment courses are college courses for which high school students may receive simultaneous college and high school credit. GBC and the Elko County School District have worked together to identify many GBC courses that can be applied toward the student's high school diploma.

How does a high school student enroll in dual enrollment GBC courses?

The following forms only need to be filled out and submitted **one time**:

- Online Application for Admissions to Great Basin College.
- Special Admissions Form for High School Students (signed by student and parent/guardian).
- Information Release for High School Students (signed by student so that the GBC grades can be released to the high school).

Please see the GBC Dual Enrollment Web Page for information and forms:
www.gbcnv.edu/admissions/dualcredit

Some courses offered at Great Basin college may not be used for an Associate of Arts, Associate of Science, or Bachelor of Arts degree. These courses may not be transferable to other Nevada colleges. These courses are: BUS 102, BUS 110, CIT 112, CIT 201, EIT 114, IT 210, SPAN 101, SPAN 102. Please consult an advisor for assistance.

This form must be submitted preceding **each** semester that the student wants to take dual enrollment classes:

- High School Permission Form, which lists desired courses and must be signed by the student, and either the high school counselor or the high school principal. This serves as a registration form for the class(es) as well.
- Important note to parents: High school students enrolled in dual enrollment courses are treated like any other college student. The student, and not the parent or guardian, must sign the appropriate forms, resolve concerns with course instructors, access his or her own grades, etc. All fees are due before classes begin.

Master Course Guide

The course in the left column may be accepted as fulfilling the requirements of the course in the right column.

GREAT BASIN COLLEGE

Course No.	Course Name	Credits
ENG 101	Composition I	3
ENG 102	Composition II	3
ENG 107	Technical Communication I	3
