Sacramento Indian Agency

Gentlemen:

Mr. Fee Foster, an Indian living in Schurz, Nevada is an applicant for Public Assistance in Nevada.

I am trying to obtain verification of his age. Mr. Foster states that he was born in Mono County, California.

I understand that the Carson Indian Agency located at Stewart, Nevada did not always have jurisdiction over the Indian residents of Mono County, California.

I would like to know if your agency has a census record for Mr. Foster and if so would appreciate a copy of that report at your earliest convenience.

Very truly yours,

Ruth Wilson
