Dear Sir:

I have a copy of the notice from the Land Office to the effect that your application for certain land has been rejected owing to the fact that it is within the Forest Reserve. I am enclosing herewith an application form for use in applying for such land. If you still want this land, have some one assist you in making out this application and file it with the Forest Supervisor at Austin.

The instructions for preparing this application are very specific and any one will be able to fix it up for you.

Very respectfully,

Special Indian Agent.
