

In re Jim Ike, Houston, Indian.

Manhattan Nev Dec 21, 1919

Mr G. St. Aubrey
Revs Nev.

Dear Sir:

In re Jim Ike's application on his own behalf to certain lands near Millett, Nev. in the Forest Reserve. Was informed by the Forest Supervisor at Austin that in lieu of 160 acres asked for they only allowed 140 acres. As this is the poorest kind of rocky grazing land and the man and family laboriously are trying to make something out of it I will ask your good office in his interest to have the allowance increased to 160 acres. It is unfit for anything else.

Yours truly,
L. T. Colver

For Jim Ike.
