Early Childhood Education

Program Mission
The mission of the GBC Early Childhood Program is to provide students with the skills and knowledge needed to work effectively and professionally with young children, their families, and their communities.

Successful completion of the Early Childhood Education Certificate and degrees are designed to qualify students for such employment opportunities as paraprofessionals, teachers, and/or directors in child care centers, preschools, and home-based programs.

Student Learning Outcomes

- **Human Growth and Development**
  Recognize individual variations and potential special needs of developing children and the many factors that can influence their physical, cognitive, social, and emotional growth.

- **Positive Interaction and Guidance**
  Apply positive guidance techniques in accordance to children’s ages and developmental levels.

- **Observation and Assessment**
  Recognize the goals, benefits, and uses of assessment in early childhood environments through the implementation of systematic observation, documentation, and other appropriate assessment strategies.

- **Environment and Curriculum**
  Plan and implement developmentally appropriate curriculum supported by the Nevada Preschool Standards and utilize strategies that are characteristic of high quality classroom environments.

- **Family and Community Relationships**
  Examine strategies for building respectful, reciprocal relationships with families by implementing culturally sensitive practices and policies.

- **Leadership and Professional Development**
  Explore and practice principles of effective leadership and advocacy in early childhood education, and seek employment in the field of Early Childhood Education.
Associate of Arts — Early Childhood Education
(Pattern of Study)

Student Learning Outcomes
The graduates of this program will have the knowledge and skills to:

• Demonstrate knowledge of the major concepts of content in the profession of education with coursework and assessments.
• Identify instruction that meets learners’ current needs and developmentally appropriate practices/strategies with coursework and assessments.
• Demonstrate the use of reflection and feedback to continually refine professional practice with practicum experience evaluation.

The Associate of Arts in Early Childhood Education is designed for students who are planning to enter the early childhood education field as either a teacher or preschool facilities director.

A student who is considering a bachelor’s degree in education needs to meet with an advisor immediately to determine the requirements that will fulfill his/her emphasis areas and/or his/her degree. Also the student needs to be aware of the application requirements to the education program. Additional information regarding state licensure requirements can be obtained from the Nevada Department of Education.
