

2015-2016 Department Chairs

September 25, 2015

- Vote to fill positions that would replace John Newman (Winnemucca), and Frank Daniels (Ely).
- There are two other positions that need to be filled. Funding to fill those positions will be brought from the 4% increase in student fees. The fees will support one English instructor and one in CTE department

November 20, 2015

- Vote again on Department Chair Responsibilities Action Item

January 29, 2016

Department Chairs voted to refill the following positions:

- Radiology Technology
- Secondary Education
- Biology Instructor
- Human Services

February 26, 2016

At the request of Stephanie Davis, PSY 208 was reviewed to approve this course also be listed on the general education grid under AA/AS for social science. After review of the syllabus the members of the general education committee approved this request.

March 18, 2016

The Science Department learned Doug Hogan, our Biology Professor in Winnemucca, is retiring effective the end of the Spring 2016 semester. I am requesting an emergency vote for Department Chairs to approve rehiring his position. We are currently searching for a biologist in Elko and would like to combine it with the Winnemucca search.

April 29, 2016

- Department chairs voted to approve the criminal justice instructor position for rehire. Recruitment for the position will begin immediately with a Fall 2016 semester start date
- Chairs voted to approve the prioritization list with minor changes, excluding the capacity - building enhancement and grant-funded positions.
