

April Compensation and Benefits Committee Report

Committee met on Thursday April 6th at 2:15 pm by zoom. The meeting was rather quick since we are still waiting on final approval for some items from Leadership council and the committee agreed it was best to make sure all items that we had approved so far this year through the committee and faculty senate be finalized before starting new work. We did discuss a faculty salary review that was completed by a sub committee in March and discussed the idea of having documentation or possible procedure for justification in the future. The chair will reach out to Human resources and see what is available currently and hope to have some information for the committee to tackle in fall semester.

Respectfully submitted,

Thomas Bruns

Compensation and Benefits Committee chair
