Board of Regents Presentation
March 2022

Great Basin College

providing a well lighted pathway

GBC provides students at all levels of preparation, a well lighted pathway to reach their goals for a better quality of life through higher education.

GBC supplies the well-skilled workforce for rural Nevada necessary for economic development as well as advancing innovation through partnerships that create new industries and jobs.

- Over 86,000 square miles
- 2 Time Zones
- Multiple locations

GBC's Objectives Supporting NSHE's Goals

Access – Increase participation in post-secondary educations

Success – Increase student success

Close the Achievement Gap - Close the achievement gap among underserved student populations

Workforce – Collaboratively address the challenges of the workforce and industry education needs of Nevada

Research – Co-develop solutions to the critical issues facing 21st century Nevada and raise the overall research profile
