1	A great place to further your education. The instructors and classroom material are very good to what you are learning. All in all a good place to learn.	10/21/2020 8:17 AM
2	I enjoyed that course I took through GBC and Career Step.	10/14/2020 3:08 PM

#	Q1: ASSOCIATE'S DEGREE	DATE
1	My overall experience at GBC was good. The instructors didn't do the best job at times. Sometimes I'd find myself sitting in class reading along to the textbook not learning anything and missing a lot of information. Some of the shop activities were cut too short and I feel like I missed out on important information. There is a great amount of hands on learning and that's the best way to learn in my opinion.	10/29/2020 9:16 AM
2	The online surveying classes need to be updated. Surveying is a subject that is best taught in person and I was fortunate enough to get a lot of my education at a junior college in California before enrolling at GBC. The online classes do an okay job of teaching but could be updated to better quality. My professors have been very responsive and I am almost done with the program.	10/26/2020 11:18 AM
3	n/a	10/24/2020 2:11 AM
4	Great program, worked with my credits from another institution. Happy that I finished my Associates at GBC!!	10/21/2020 10:19 PM
5	Expansion of the Academic success center to include health care would be ideal.	10/21/2020 12:08 PM
6	I am so thankful to have stayed in my hometown and get the education I needed for my career. It was high quality and personal. It was a very good experience that helped get my foot in the door. In order to further my education I would have to transfer but gbc has helped me whenever I choose to do so.	10/17/2020 11:12 AM
7	I loved GBC. Thanks for all you guys do!!	10/15/2020 7:07 AM
8	I love GBC. The advisors and instructors are amazing.	10/15/2020 5:47 AM
9	Please get faculty on the same page about how to use Canvas. It is an amazing tool, but the way that every department uses it differently makes online education even more of an organizational nightmare than it is. There needs to be some interdepartmental consensus on how to use the calendar, due dates in relation to discussion posts, etc., and that consensus should be informed by student feedback. Thank you.	10/14/2020 3:38 PM
10	I had amazing professors who helped me as I am not the best self learner (as I did school online) and was able to get good grades in my classes all thanks to their help. Dianna, GBC Pahrump advisor was always so helpful and supported me in wanting to get 2 associate degrees. I now, after a year of being with the company at the time, am the lead of our customer service department and have goals to become supervisor next year. Thanks GBC!	10/14/2020 12:21 PM
11	I actually earned 2 degrees through GBC.	10/14/2020 10:46 AM
12	The instructors were mostly great. I was doing online education. What I am/was disappointed with are the advisor and the curriculum. The first advisor I had was amazing and why I opted to go to school at GBC. During the finishing of my Associates's degree, the program changed putting me further behind because I didn't have a form filled out declaring. Although this would be my fault, I would expect help from the Administration Office. I also got transferred to a different advisor because the awesome one, was getting his Masters (good for him!). But the 2nd advisor needs some schooling and skill enhancement in social and being an advisor. Ultimately, I left GBC because of the curriculum change and the advisor.	10/14/2020 10:23 AM
13	I had positive and negative experiences with both the staff and the academic advisors. Over all my experience was positive.	10/14/2020 8:39 AM
14	None of the advising helped me find a career path or education path. However, the price is better than other institutions. Now that I have finally found a career path I am having to pay double because I have too many credits. I don't think I have ever had my advisor from my major contact me in anyway.	10/14/2020 8:30 AM

#	Q1: BACHELOR'S DEGREE	DATE
1	Starting my Science education at a larger university and then finishing it at GBC, I feel much more confident in the education I received from the GBC professors. Freistroffer, Bagley, and Duryea truly made the Biology program worth while. I appreciate them all so very much. I had a bulk of my science classes with them, however all the professors in the Science department are amazing. I am truly grateful that GBC gained approval of the BS of Biology during my time at GBC.	11/4/2020 12:57 PM
2	My case is unusual because I pursued my BAS from Great Basin College after I'd already earned a full, four-year bachelors degree a few decades ago.	10/28/2020 5:34 PM
3	Make sure to do summer internship to gain experience in the work field of choice	10/28/2020 10:55 AM
4	Thank you	10/28/2020 10:26 AM
5	I don't feel any more capable of getting a job because of my degree, in fact, I still don't have one. I don't think that some of the teachers or advisors were really there for you. Trying to get answers through email as a student was difficult. I recently reached out for professional reference and to no avail. Very disappointing. And that was a dept head. I ended up getting a teacher from the very beginning of my associate degree from 2014. But and advisor from 2019 would not reply? Shameful.	10/21/2020 8:58 AM
6	Mr. Theriault was the reason I was able to get my degree. He is an incredible teacher and advisor. The program was fantastic. My only regret was that I didn't know I should apply for internships between my junior and senior year. After graduation, I was no longer eligible for internships, which means I now have a degree with no experience and no one wants to give me any experience unless I take an entry level position, which I can't afford to do. So, I am still stuck in my previous job that I hoped to leave because of money and lack of experience.	10/15/2020 10:51 AM
7	I did grow and the courses I took did alter the way I think. Especially, from Danny Gonzales in political science, Stephanie in psychology, some of the INT courses. Kathy Schwandt in the GRC classes is really great as well, but her reach is so broad because the degree is so broad that I wasn't everything I wanted. The counseling/course advisors are absolutely trash though and had they been better at their jobs I would have graduated a lot sooner. Lastly, GBC does not in any way shape or form promote personal wellness. GBC absolutely demands that college is far more important than life. And anyone who says otherwise is absolutely full of it. Instructor's demand that you spend more time on classes than anything else and purposefully provide homework over holidays, breaks, and busy family times such as Thanksgiving and Easter. In fact, often instructors take many days off where there are not reachable during the semester rather than being with their students. In this way we are prepared to be crushed by our workload, fail, or dropout.	10/14/2020 7:46 PM
8	With the great professors that I had, my GBC experience was fantastic!	10/14/2020 4:20 PM
9	Great school, I wish they offered more courses in art, but overall GBC is a great education option.	10/14/2020 12:00 PM
10	I've been to four different colleges and I was most satisfied with GBC. Extremely low prices, high quality instruction, wide variety of classes, and a local branch staffed with extremely helpful people meant it was almost impossible to fail.	10/14/2020 11:14 AM
11	I wish more people would choose community colleges like GBC for their learning experiences. It's affordable and doesn't break the bank like most universities do. I know some will disagree with my next statement, but when you attend a well known university, a person is partially buying the name. It's no different than buying a pair of Nikes or a Sony TV. Similar less expensive products will still get the job done. The only argument that could be made which is still subjective in nature is if a particular university is well known for a certain field. Maybe engineering or law might fit that bill. I'm happy with my education at GBC, but most of all is that I'm thrilled to be debt free! Many other students around the country can't say the same thing.	10/14/2020 10:10 AM
12	The Social Science Department at GBC is excellent. I experienced more growth during my time in the program at GBC than I did at a larger state university. Dr. Jonathan Foster, Dr. Laurie Walsh, and Dr. Stephanie Davis are amazing instructors.	10/14/2020 9:35 AM
13	I have attended 3 other colleges and GBC provided the best experience and education by far. It was obvious that the administration and staff truly cared about the success of the students.	10/14/2020 9:09 AM
