

Transfer Agreement

**Associate Degree Program:
Associate of Science (AS) Transfer Degree**

**Bachelor's Degree Program:
Bachelor of Applied Science, Land
Surveying**

NOTE: This transfer agreement has been created specifically for the programs listed above and only applies to students that complete the associate degree listed. If the associate degree is not earned, or a new program is selected, the transfer and articulation of listed courses, as well as fulfilled degree requirements, could be impacted.

Important Information: This agreement is based on any Associate of Art or Associate of Science degree offered at TMCC. Credit variations may occur based on the number of units required for each degree program.

Specific General Education Courses Required: MATH 181, PHYS 151 or 180 and 180L

These courses should be completed during the associate program. NOTE: Lower-division General Education requirements are fulfilled upon completion of the associate degree, with the exception of the courses listed above. If a General Education subject is not listed here, you may select any general education course approved for the associate degree program.

*** Specific Program Courses Required: CADD 121, GIS 109, SUR 280, 281, 290. These courses must be taken at GBC and will reverse transfer towards the AS Transfer degree.**

These courses will articulate to specific program requirements for the bachelor's program. Courses marked with an asterisk (*) are critical prerequisite or bachelor's program progression courses that will impact a student's progress to completing the bachelor's degree in a timely manner if they are not taken during the associate degree program.

Articulations/Block Transfer: N/A

These courses are approved articulations/substitutions/block transfer for the above-mentioned programs and will transfer accordingly and apply to the bachelor's program as listed.
