Western Undergraduate Exchange (WUE) is a program coordinated by the Western Interstate Commission for Higher Education (WICHE). Through WUE, students in the western states and the U.S. Pacific Territories & Freely Associated States may enroll in many two-year and four-year college programs at a reduced tuition level. If you are a resident of a WICHE state/province, you are eligible to request a reduced WUE tuition rate at GBC. Admitted WUE students will be charged current in-state fees plus 50% of that amount.

I am from the following state and have claimed residency in that state for the past 12 months (check one):

\_\_\_\_\_ I understand as a WUE student, I will pay 150% of Great Basin College's regular in-state resident course fees, plus any fees (such as lab and technology fees) that all students are required to pay. However, out-of-state tuition will be waived.

\_\_\_\_\_ I understand that only new students who have not matriculated to GBC may apply for WUE status. Once I have been classified as a WUE student, in order to be reclassified as a Nevada resident student, I must present clear and convincing evidence that I have lived continuously in Nevada for at least 12 months as a "bona fide" resident and intend to make Nevada my true, fixed permanent home.

\_\_\_\_\_ I understand that once I have been classified as a WUE student, in order to be reclassified as a Nevada resident student, I will need to disenroll from the WUE program **in writing** and pay full nonresident tuition for at least 12 months, after which she or he may apply for reclassification to resident student status.

*The procedure for reclassification to Nevada residency is available on the GBC website, in the Admissions and Records Office at Great Basin College, or at the branch campuses in Battle Mountain, Ely, Pahrump and Winnemucca.*
