**30. PUBLIC COMMENT**

**INFORMATION**

Mike McGhee asked if it was possible to have our video game nights on a larger scale, and after discussion, it does not seem possible at this time. It is possible that we could host a game night at the dorms where several people could play at a time, and this will be investigated and may be an event later.

Mike McGhee also asked if we are promoting safe sex on campus as part of our sexual harassment movement. SGA has sponsored similar ideas before with little success.

Meeting is adjourned at 1:43 p.m.
