11. PUBLIC COMMENT

INFORMATION

Pat Anderson- She was appointed to another task force. NSHE has formed a task force focused on free speech, assembly, etc., so Nevada colleges do not run into issues other colleges in the country have had. This task force will work on a common language policy for NSHE institutions with specifics for different institutions and their specific needs over the next year. She will report back and ask for SGA opinions as this evolves.

Student Advocate Mendez- On Tuesday, Pat Anderson assisted with the second Run, Hide, or Fight Active Shooter Training. There will be a third session after Spring Break. Please participate if possible.

Alex Porter- The Student Survey is live. Please participate and encourage students to as well. It is very important for the future of GBC. It was sent out via e-mail and WebCampus. They are hoping to share the results at the All College Conversation Day on April 6th, 2018. GEAR UP has the opportunity to receive some supplemental funding for a project. The project will be a first year transition experience for Juniors and Seniors. The hope is to have high involvement in the GBC Orientation course by the incoming GEAR UP students. GEAR UP will be coming to SGA to help provide food for future events. All students will be welcome, but GEAR UP students will be focused on.

Meeting is adjourned at 1:02 p.m.
