2. PUBLIC COMMENT

INFORMATION

Student Advocate Garcia-let everyone know why it is important to come to the meetings and thanked everyone that showed up. She is also going to send out an email with the expectation of SGA members. President Dodson will be gone until after spring break and Vice President Stevens will be taking over the meeting until she gets back, and Senator Dempsey will also be gone next meeting.

Vice President Stevens- letting everyone know that the big events are cancelled at the Elko Campus for this month. Pat Anderson explained why for this happening. We are trying to not cause panic and let the students still have student life, and events are being reviewed by case by case and time by case due to the Coronavirus. Student Advocate Garcia was letting everyone know that the way we do things might have to change until further notice like having prepackaged snack/food so students can grab and go without touching everyone else's food and congregating around each other.

Pat Anderson-if students come to you asking what is going on. Tell the students to go on GBC website and click on the Coronavirus info link. She went over what a State of Emergency is and what it does for us.

Senator Marler wanted to know if they should cancel their game night at the Winnemucca Center? Pat advised that there are no cases there and to go forward with the game night and to talk to their center director.

Senator Sturges is already taking precaution about their events in Ely.
