### **6. VICE PRESIDENT'S REPORT**

#### **INFORMATION**

Vice President Stamp has been continuing to plan the onboarding process for new SGA officers. It will be formatted into a PowerPoint presentation. Once it is near completion, he will send the draft to current officers for review.

He shared a link to a master calendar for SGA events for the fall semester. Pat Anderson asked if student clubs could also input events into the master calendar. Vice President Stamp said that this specific calendar will be for SGA use, but he will mention the idea at the upcoming SOLAR meeting with the possibility of including student clubs. Pat suggested creating a separate calendar for club use, to which Vice President Stamp agreed.

Senator Sturges let Vice President Stamp know that she was unable to access the link to the calendar. Senator Sanchez asked if the link could be emailed for future access. Vice President Stamp said that he would grant everyone access after the meeting and that he would also email the link. Secretary Stadlander asked whether Vice President Stamp had everyone's emails readily accessible to him or if he would like her to send him a list of the officers' emails. He replied that he had everyone's emails, but he would contact her if needed.

**7. STUDENT ADVOCATE’S REPORT**

**INFORMATION**

Student Advocate Garcia thanked Jonelle Harlan and Sandro Castillo for participating in the meeting and for being interested in joining SGA. She also mentioned the following:

- The SGA application is open. The ad for recruitment will be posted next week. So far, several positions have not been applied for, including all senator positions except for Elko and Ely. If anyone knows of any possible student interest, they should pass along the application information.
- Next week, a virtual scavenger hunt for GBC history will be made accessible via WebCampus. She encouraged all officers to participate. Bluetooth speakers will be offered as prizes.
- The drive-in movie event will take place Sept. 1<sup>st</sup> at the Elko campus. The new *Cruella* movie will be shown.
- If an officer is registered for classes but has not yet made a payment and is not receiving financial aid, they should check their student account since GBC is performing drops for non-payment. If an officer has been dropped, classes can be reinstated upon payment.
- She thanked Senator Gurr for assembling nearly 200 goodie bags for Elko’s Welcome Back Week. The bags will be distributed throughout the campus later in the day. If other officers are planning on doing similar goodie bag events for Welcome Back Week, they should be working with their center directors to put those bags together for distribution and should also update SGA on their progress.
- Leadership training activities will resume next week. Student Advocate Garcia will facilitate the first activity and will email information prior to the meeting.
- Officers should check to see whether their student emails are working again. She hopes to resume all SGA communication through these emails if there are no issues.
